

Built On What Matters

June 2016

FREDERICK IN FLIGHT

Centennial Park (630 8th Street) will once again be filled with hot air balloons in bright colors and folks having a great time at this year's Frederick in Flight June 24-26th. Over 25 hot air balloons will launch at daybreak on all three mornings of the event. Saturday morning's flights will also feature hot air balloon tethered rides with RE/MAX Momentum and a Community Safety Day with the Frederick-Firestone Fire Protection District as well as face painting and fun swag giveaways. Not an early riser? Join us for the new evening Glow Party on Saturday, June 25th from 6:00 p.m.-10:00 p.m., at Centennial Park. Don your best neon and glow attire and join us for a great night full of beer, cider, wine, food, and live music from crowd-favorite The Movers and Shakers! The Carbon Valley Relay for Life will be hosting a Silent Auction to raise money for the fight against cancer - they have great items lined up, including a grand prize weekend getaway to Breckenridge. Find out more information about the morning flights and the Glow Party at www.FrederickCO.gov/FrederickinFlight.

FREE IRRIGATION INSPECTIONS

An inefficient sprinkler not only wastes water, but also wastes your money! Get your system's efficiency checked with a **free** irrigation inspection by the Center for ReSource Conservation, courtesy of the Town of Frederick. Inspections last about 90 minutes, and could help you save thousands of gallons of water each year. It's easy to sign up and get long-lasting and money-saving results! Simply sign up at conservationcenter.org/sprinkler or call (303) 999-3824 to schedule. Be sure to sign up quickly, as there are only 40 free inspections available this year.

COLORADO BLVD CLOSURE

The construction for the Colorado Blvd. improvements has begun and the five-week closure is now scheduled to begin Monday June 13th. Colorado Blvd will be closed between Hwy 52 and Tipple Pkwy (CR 16) with detours routing north onto Silver Birch Blvd (CR 11) or Frederick Way from Hwy 52. A map of the detours, a description of each improvement, and a video on why we chose a roundabout for the Colorado Blvd. and 5th Street intersection are included on our website at www.frederickco.gov/coloblvd. Once again, we encourage you to collectively support our downtown businesses and events like the Frederick Market to ensure they are not impacted negatively during this time. This will be a great improvement for the roadway that will enable a better flow of traffic and a reduction in the risk of serious accidents.

COMMUNITY GARDEN CLASSES

Come to the Nelson Family Community Garden at Indian Peaks Medical Center and learn something new! On Saturday July 23rd from 9:30 to 10:30 a.m., bring the kids for a hands-on experience learning about some of our favorite local birds and how they build their nests before building one yourself. If you're interested in attending, please RSVP to indianpeaksCG@yahoo.com or 303.886.4145. Indian Peaks Medical Center is on Hwy 52 just west of Silver Birch Blvd. Classes and demonstrations are held at the garden's new shade structure, which was built with generous donations from Longmont United Hospital, Extraction Oil & Gas, The Town of Frederick, Frederick Power & Light, Carbon Valley Academy, Wallace Grant and Peter Powers.

WHAT'S DEVELOPING

Ever wondered why there seem to be more houses than businesses being built in Frederick? Or have you ever asked why the town is building a new public improvement instead of a grocery store? In this month's edition of 'What's Developing,' we're shedding some light on the development process by answering some misconceptions voiced by members of the public on our social media outlets. If you're curious about how development happens, this is an article you won't want to miss. Check it out at www.frederickco.gov/DevelopmentSeries.

SOLICITORS' LICENSES

It's that time of year again when you may start to see folks going door to door selling goods or services. The Town Board has recently taken action to ensure your safety in these situations by adding additional requirements for applicants that apply for a solicitor's license in Frederick, including a background check. Once the applicant meets these requirements, they will be required to wear a Town-issued badge with their photo on it. The badges must be visible at all times and may be inspected upon request. You are encouraged to ask to see the badge to verify that the individual has obtained a Town-issued license. If they can't produce a badge, please notify the Frederick Police Department by calling non-emergency dispatch at 720.652.4222.

RELAY FOR LIFE GOLF TOURNAMENT

The Town of Frederick will be hosting our annual Relay for Life Golf Tournament on Sunday June 12th beginning at 8 a.m. at Bella Rosa Golf Course. Get your foursome together and pay the \$280 entrance fee by calling 720.382.5500 or by visiting Town Hall or the Bella Rosa Club House. There will be contests and prizes for the longest drive, closest to the pin and a hole-in-one. All proceeds benefit the American Cancer Society so please join us and swing for a cause!

TOWN MEETINGS & EVENTS

6/1 - Parks, Open Space & Trails - 7 PM
 6/2 - Frederick Market Begins @ Crist Park - 4PM
 6/13 - Miners Day Input Meeting - 5:30 PM
 6/14 - Town Board Meeting - 7 PM
 6/24-26 - Frederick in Flight @ Centennial Park
 6/28 - Historic Preservation Commission - 9 AM
 6/28 - Town Board Meeting - 7 PM

Congratulations to Alana Carlson (left) and Hannah Stewart (center) who were awarded \$6,000 scholarships by the Frederick Scholarship Commission, which includes Legacy Elementary School principal, Sean Corey (right). Alana will be going to the University of British Columbia to study English and International Affairs and Hannah will be attending CU-Boulder and studying Journalism. These ladies impressed the commission in their interviews and with their essays on what the town's tagline 'Built on What Matters' means to them. We wish them luck as they follow their dreams!

FROM THE DESK OF DET. DAVE

With the school year ending and summer right around the corner, many of us are planning to get out of town! Whether you're heading to Florida to catch a cruise or camping a couple hours away, a few basic home security tips can help prevent an intrusion or burglary while you're gone. Read all of Detective Dave's tips at www.frederickco.gov/DetectiveDave.

June Stops

June 1 - Wyndham Hill
 June 8 - Crist Park
 June 15 - Prairie Greens Club House
 June 24 - Raspberry Hill Park
 June 29 - Moore Farm Park

All stops begin at 6 p.m. and will last as long as there are people enjoying themselves and/or we run out of food!

Get ready for 18 weeks full of fresh produce, tasty foods, talented crafters, live music and an easy way to support local businesses and farms – the Frederick Market is back in season! Starting on June 2nd, the market runs every Thursday 4-8 p.m. in June, July and August, and 4-7 p.m. in September in Crist Park. Join us for our first market special event of the season with Seeds N' Splashes on June 9th. Check out the full list of vendors and special events at www.frederickco.gov/FrederickMarket.
